Dear EGSS School Community

Welcome Back!!!

We are so excited to have our students back at school. As I went around the school to visit the students I saw so many smiling faces. All school staff are helping the students stay safe, keep their hands clean and follow the COVID19 guidelines that the Department of Education has provided. We are all dedicated to making sure everyone follows the new cleaning routine. Please click [HERE](#) to view the COVID19 Policy on our website.

Thank you parents & families

I need to thank all families for the efforts they put in to supporting our students with their remote learning. Many teachers have told me of the excellent work students have been doing. Parents and in many cases students, have been in regular contact with their teachers talking about the activities they have completed. We have received photos of students at work and work packs have been returned for marking each week. I hope that you enjoyed seeing how your child learns and the many skills that they have.

Well Done !!

Remote learning would not have been a success without the support of you, the families. A huge well done to you all.

At the moment it is important that your child brings all the food they need to school as we are not receiving the sandwiches and other donations. We do not want your child to be hungry during the day as that will make it difficult for them to learn.

Kind Regards

Julie Backhouse

Acting Principal
